The drawer down view looks down on the top drawer with the benchtop removed. Only the top drawer has the plumbing cut-out. Each drawer carries half of a full moon handle, so the halves meet at the join.

Nominal width 1500mm. The Nuvolite benchtop overhangs the cabinet by 5mm each side and 7mm at the front.

Integrated power is fitted at the back of the bottom left drawer, at its left-hand end. A second outlet can be added at the right-hand end of the bottom right drawer.
