Plumbing	114 wide cut-out in the top drawer, 59 clear behind

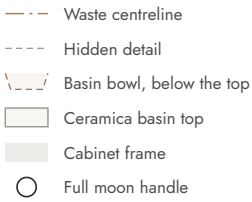

TECHNICAL DRAWINGS

All dimensions in millimetres

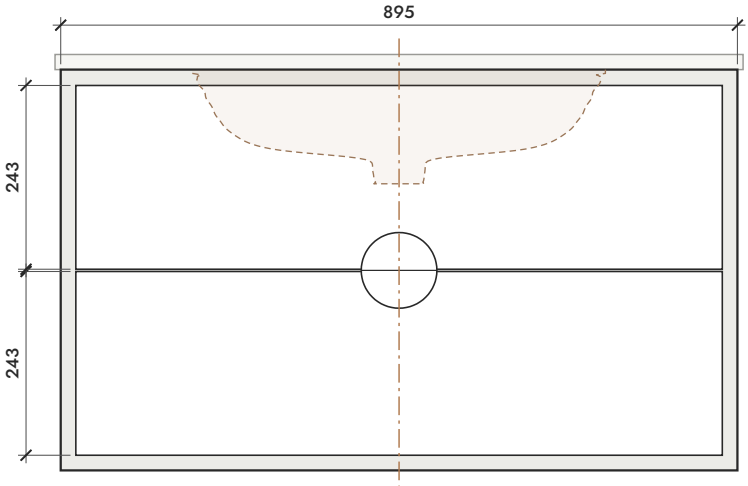

Drawer down view (top drawer)

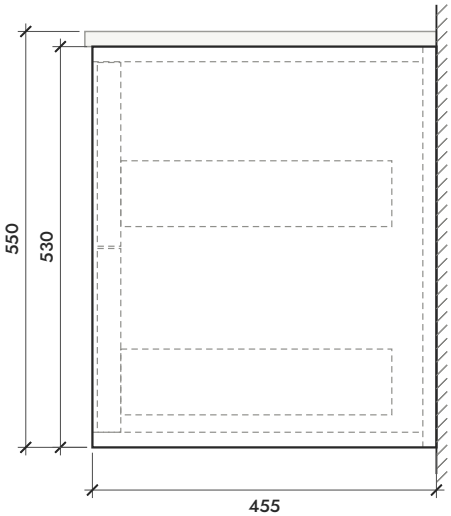

Scale 1:10 on A4

Front view

Side view

The drawer down view looks down on the top drawer with the basin top removed. Only the top drawer has the plumbing cut-out. Each drawer carries half of a full moon handle, so the halves meet at the join.

Nominal width 900mm. The Ceramica basin top overhangs the cabinet by 7.5mm each side and 10mm at the front. Its bowl sits inside the cabinet above the top drawer, with the waste dropping into the plumbing cut-out.

Integrated power is fitted at the back of the bottom drawer, on the left-hand side. A second outlet can be added on the right-hand side.

Full Moon Ceramica specifications. *All dimensions in millimetres. Our vanities are made to order, so please check site measurements before ordering.*
