TECHNICAL DRAWINGS

All dimensions in millimetres

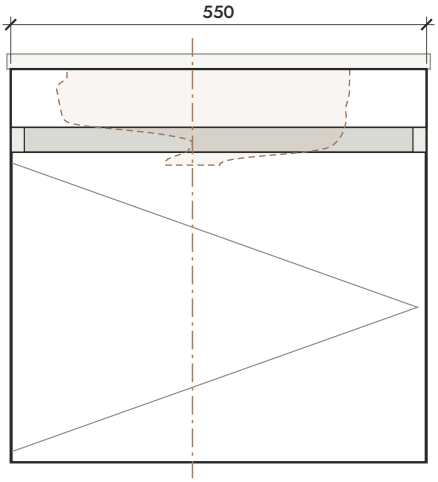

Top view

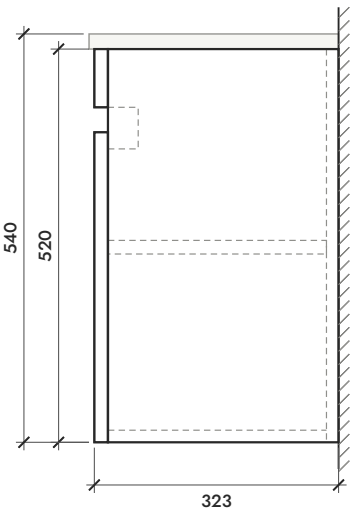

- Waste centreline
- Hidden detail
- Basin bowl
- Basin bowl, hidden below the top
- Tap hole
- Ceramica basin top
- Finger pull channel
- Door, the lines point to its hinges

Scale 1:10 on A4

Front view

Side view

Drawings show the handleless version: a finger pull channel runs across under the fascia, above the doors. The aluminium rail accent sits in the same channel.

Nominal width 560mm. The basin top overhangs the cabinet by 5mm each side. Its bowl sits left of centre with the tap hole to the right, as the top view shows. The bowl is shown dashed in the front view.

Left and right are as you face the vanity. The Mini takes LED Under Glow but not integrated power.

Mini Ceramica specifications. *All dimensions in millimetres. Our vanities are made to order, so please check site measurements before ordering.*
