Side view

Drawings show the handleless version, with a finger pull channel above each drawer. The aluminium rail accent sits in the same channels. With the tab pull handle the drawer fronts are taller and close up the channels. The shelf has a closed front panel and opens to the side of the vanity.

Nominal width 1500mm. The Nuvolite benchtop overhangs the cabinet by 5mm each side and 7mm at the front. Left and right are as you face the vanity.

Integrated power is fitted at the back of the bottom left drawer, at its left-hand end. A second outlet can be added at the right-hand end of the bottom right drawer.

Zeon Nuvolite specifications. *All dimensions in millimetres. Our vanities are made to order, so please check site measurements before ordering.*
